Cable SATA 6 Gb/s Extension male-female 100 cm

Description

This SATA cable by Delock complies with the latest standard and supports a data transfer rate of up to 6 Gb/s. It enables you to extend the SATA interface and can be used for connection of your devices with SATA 7 pin port. Furthermore the SATA 6 Gb/s interface is downwards compatible to the former SATA versions, whereas you can only achieve the respective transfer speed.
